THE GRUNT CLUB INC.

WELCOME

# GRUNT CLUB INC

## Dear Prospective Sponsor,

Since 1931, incorporated in 1937, The Grunt Club Inc. has been dedicated to promoting the interests of Montreal's Maritime Industry. For 90 years we have brought the community together — and the Annual Dinner remains the highlight of the year, drawing over 800 leaders from the Canadian and international shipping community. We would be delighted to welcome your company as a sponsor of this milestone 90th year.

For 2026, we've brought our full sponsorship offering together into a single ladder of six tiers — from classic recognition levels (Title through Bronze) to specific signature moment in the evening: the Photobooth. Every dollar continues to flow through to our charitable beneficiaries, among them **The Mariners' House of Montreal** and **L'Institut Maritime du Québec at Rimouski**.

Whether your goals are brand visibility, community goodwill, or owning a single unforgettable moment of the night, there's a tier built for your company.

## Why Sponsor the Grunt Club

| | |
|---|---|
| **Reach the Industry** | The dinner reaches the Canadian and international shipping community — each one of our 800+ dinner guests receives a programme. |
| **Support a Cause** | A meaningful, published portion of every sponsorship is donated directly to our charitable beneficiaries. |
| **Visibility Beyond the Room** | Recognition on LinkedIn, entrance signage, and the dinner slideshow keep your brand in front of members in the leadup to the dinner and throughout it — the higher the tier, the larger and more frequent your slideshow appearances. |

*Turn the page for the full 2026 sponsorship tiers or contact us directly — we'd love to talk through the right fit for your company.*

Warm regards,
**The Grunt Club Sponsorship Committee**
*Grunt Club Inc — Together we make a difference.*
